

Campus Security Report

September 23, 2021

NOVA Academy of Cosmetology (NOVA) maintains a strong commitment to campus safety and security. Parking lots, pedestrian walkways and building exteriors are lighted. A routine check is made of the interior lighting. Students are encouraged to report any exterior or interior lighting deficiencies to the School Director. Exterior doors at the school are locked and secured each evening by staff. Door and security hardware operating deficiencies are also reported by these staff members. Shrubbery, trees and other vegetation on campus are trimmed on a regular basis.

NOVA encourages all students and NOVA community members to be fully aware of the safety issues at the school and to take action to prevent and to report illegal and inappropriate activities. Personal safety practices are the foundation of a safe community. Pursuant to the Student Right to Know and Campus Security Act, NOVA monitors criminal activity, publishes this report, and maintains a three-year statistical history both on campus and the Public Property adjacent to the campus. The school will distribute a copy of and/or provide access to this report pursuant to Federal Law.

NOVA Academy has no authority to require the Mankato Police Department, Blue Earth County Sheriff's Office or the judicial court process to take any action in connection with a reported crime. NOVA encourages prosecution of all criminal violations through the criminal courts and if appropriate, through the campus conduct process for violations committed on campus by other students.

NOVA currently has a number of policies and procedures relating to campus security and safety, and it expressly reserves the right to modify them or adopt additional policies or procedures at any time without notice. Such changes may appear in successive issues of this report.

Policies

Students, employees and visitors are encouraged to immediately report any and all criminal activity to school management or the Mankato Police Department, 710 South Front Street Mankato, MN 56001, phone: 507-387-8600, emergency 911 (from campus). NOVA employees *will* assist the student in notifying these authorities, if the student requests the assistance of the employees.

In the event that a situation arises, either on or off campus, that, in the judgment of the School Director, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through a posting by the time clock.

NOVA Academy maintains a security log. Information may be delayed in being placed on the log in cases where such disclosure is prohibited by the Minnesota Data Privacy Act or where such disclosure may jeopardize the confidentiality of the victim.

When alleged perpetrators are identified as students, the case will be forwarded to the school director for investigation and appropriate action. Criminal investigation, arrest, and prosecution can occur independently and at the same time as the campus investigative process.

NOVA Academy will assist the Mankato Police Department in any investigation as may be requested.

If NOVA or the Mankato Police Department concludes that the allegations reported are not substantiated by the facts or the law, no campus crime need be disclosed as a statistic (Federal Register, April 29, 1994).

Nova Academy employees have the authority to ask persons for identification and to determine whether individuals have lawful business at Nova Academy. Criminal incidents are referred to the local police who have jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report the crime to a school manager and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

NOVA will issue an annual report of criminal reports made to Campus Security and other law enforcement agencies for crimes occurring on college property or facilities. The annual report includes reported crimes alleged to have occurred on the campus and facilities owned or rented by NOVA and/or recognized student organizations. Additionally crimes reported to have occurred on public property immediately adjacent to campus are also reported. It includes the following reports of crime:

1. Murder & Non-Negligent Manslaughter

NOVA Academy will report if any of the above criminal reports are also hate crimes. These reports shall be classified according to characterization of prejudice including race, gender, religion, sexual orientation, ethnicity or disability.

A hate crime is a criminal offense committed against persons, property, or society that is motivated, in whole or in part, by an offender's bias against an individual's or a group's perceived race, religion, ethnic/national origin, gender, age, disability, or sexual orientation. Hate incidents are those actions by an individual or group that, while motivated by bias, do not rise to the level of a criminal offense.

NOVA Academy takes hate and bias crimes very seriously. Anyone who becomes a victim of a hate and/or bias motivated crime should report the incident immediately to the Mankato Police Department or NOVA Academy Staff.

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all School facilities is by key to those whom it is issued.

NOVA does not have any officially recognized student organizations with off-campus locations.

The Drug Free Workplace Act of 1988 and the Drug Free Schools and Communities Act require that the school provide a drug free workplace and have a drug free awareness program and a drug and alcohol abuse prevention program for students and employees. Information on the school's drug free awareness program and drug and alcohol abuse prevention program may be obtained from the School Director.

The school prohibits the manufacture, unlawful possession, use, sale or distribution of illicit drugs and alcohol by students and employees on its property and at any school activity whether on campus or at an off-site location. A violation of these policies will result in appropriate disciplinary acts up to and including expulsion in the case of Student and separation from employment in the case of Employees. Violations of the law will also be referred to the appropriate law enforcement authority. Students or employees violating this drug policy may be referred to abuse help centers, counseling or treatment programs. Also as a part of this policy, Nova

Academy of Cosmetology reserves the right to, at its discretion, to require a student or employee to submit to drug or alcohol tests, and to search vehicles, work stations, furniture, clothing, purses, briefcases, luggage, toolboxes, personal items, mail, computers, voicemail, and e-mail and all other items within the control of the student or employee at issue. Failure to cooperate with such testing or search may result in disciplinary action including expulsion or separation from employment.

All students and employees are charged with the responsibility to read and understand that (1) Nova Academy of Cosmetology by participating in Title IV Federal Funds Programs, must establish a Drug Free Workplace Policy, and its students and employees must acknowledge it and agree to abide by it; (2) any student or employee who is convicted of a criminal drug statute violation that occurred at the school, must notify the School Director no later than five days after such conviction.

Nova Academy of Cosmetology cooperates in full compliance with the Office for Civil Rights of the Department of Education which enforces Title IX of the Education Amendment of 1972, 20 U.S.C. 1681 et. Seq. ("Title IX"). Title IX prohibits discrimination on the basis of sex in education programs and activities, including sexual harassment of employees and students. Nova Academy does not discriminate on the basis of sex in the education programs or activities it operates and extends to employment and admission.

Sexual harassment is anti-ethical to academic values and to a work environment free from the fact or appearance of coercion, and it is a violation of Nova Academy of Cosmetology's policy. Sexual harassment consists of requests for sexual favors, sexual advances made without consent, or other verbal or physical conduct of a sexual nature on or off campus, when: (1) submission to such conduct is made either explicitly or implicitly a condition of an individual's employment or academic standing; or (2) submission to or rejection of such conduct is used as the basis for employment decisions or for academic evaluation, grades, or advancement; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating or hostile academic or work environment. Sexual harassment may be found in a single episode, as well as in persistent behavior.

Incidents of sexual harassment must be reported, either verbally or in writing, to any manager or supervisor at Nova Academy of Cosmetology. Reported incidents will be immediately referred to the School Director or Title IX coordinator who will conduct an investigation and initiate prompt and appropriate action in an environment free of intimidation and retaliation. No one reporting sexual harassment will be retaliated against. If you believe you are being retaliated against, contact the School Director or Title IX coordinator immediately. This policy and procedure also applies to other types of illegal harassment based upon any harassment of a class protected under federal, state, or local law. Questions regarding Title IX may be referred to the Title IX coordinator Michele Delisle (General Manager) at 5979 Bandel Road NW, MN 55901 *Phone: 507-280-6910

During their school tour, students are informed of crime on-campus. Similar information is presented to new employees. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on a continual basis. Periodically during the academic year NOVA has a presenter on crime prevention awareness on personal safety. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

If you are a victim of a sexual assault at this institution your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. NOVA strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a NOVA official and the Mankato Police Department. Filing a police report will:

- › ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- › provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- › assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Counseling and support services can be obtained through Victim Services via their 24 hour hotline: 507-289-0636 and the Mankato Police Department.

The accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating NOVA's sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the school for the first offense.

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed at, institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. NOVA is required to inform the campus community that a list of all registered sex offenders in Minnesota is available from the Minnesota Bureau of Criminal Apprehension at <https://por.state.mn.us/>. Minnesota's Predatory Offender Registry was established on August 1, 1991. Since then, the BCA's POR unit has maintained the state's central database of information on predatory offenders.

Those who are required to register must provide information about their primary and secondary addresses, employment, and vehicles they own or operate. They are also required to return periodic verification forms to ensure all information on file with the BCA remains up to date. When predatory offenders fail to report changes in the required information or if they fail to return verification forms they are classified as "non-compliant."

Most registration information is classified as private; however, pursuant to *M.S. § 243.166, Subd. 7a.*, the BCA is authorized to make registration information available to the public when a registrant who is over the age of 16 has failed to provide information regarding his/her primary or secondary address and has been non-complaint for thirty days or longer. The BCA is limited by statute to release only enough information about non-compliant registrants to allow the public to assist in locating them.

According Mankato Department of Public Safety Registered Predatory Offender policy:

The Department shall make a good faith effort to disseminate or disclose data as allowed or required by law within 14 days of receipt of a confirmed address (Minn. Stat. § 244.052 Subd. 4 (d)). Officers shall obtain approval from a supervisor prior to release of any data identifying a person as a registered predatory offender. Under exigent circumstances an officer may release the data without prior supervisory approval. A supervisor shall be notified by the officer of the data release as soon thereafter as is reasonably practicable. Since the fact that a person is a registered predatory offender is classified as private data for most offenders, whenever this department determines that it is necessary to provide data to the public at large regarding a person required to register as a predatory offender, such data may only be released by means determined by the Director of Public Safety to be appropriate and as permitted by law. Included with all public disclosures of data about any registered sex offender will be a statement that the purpose of the release is to allow members of the public to protect themselves and their children from predatory offenders. 341.2.1 LIMITATIONS ON EXTENDED RELEASE Individuals and entities receiving information regarding registered sex offenders may only be authorized to disclose such information to additional persons if the Department determines the appropriate scope and that such disclosure will enhance the public safety. The Department may not authorize any disclosure of such information by its placement on a non-Department Internet website. 341.2.2 DEPARTMENT OF CORRECTIONS ASSISTANCE Assistance regarding community notification or the risk level assigned to an offender is available from the Risk Assessment/Community Notification Unit of the DOC (DOC RA/CN Unit) at 651-361-7340 or at notification.doc@state.mn.us. The DOC will answer questions about the notification process and Department responsibilities. The DOC provides sample forms, specialized data and is also available to assist in conducting public notification meetings and other assistance. 341.3 RELEASE OF DATA The Department shall provide and release all predatory offender data, or updated data, obtained from the Bureau of Criminal Apprehension (BCA) or the DOC based upon the offender's status of a Level 1, 2 or 3. The Department shall continue to disclose data on an offender as required by law for as long as the offender is required to register under Minn. Stat. § 243.166. Disclosure to the health care facility of the status of any registered predatory offender under Minn. Stat. § 243.166 receiving inpatient care shall be made by this department (Minn. Stat. § 244.052 Subd. 4c). Mankato Department of Public Safety Mankato Dept of PS Policy Manual Registered Predatory Offender Copyright Lexipol, LLC 2017/09/01, All Rights Reserved. Published with permission by Mankato Department of Public Safety Registered Predatory Offender - 3 341.3.1

LEVEL 1 DISCLOSURE Data maintained by law enforcement may be subject to limited disclosure (Refer to the Bureau of Criminal Apprehension (BCA) document "Confidential Fact Sheet "" For Law Enforcement Agency Use Only" for detail): 1. Mandatory disclosure: a. Victims who have requested disclosure. 2. Discretionary disclosure: a. Other witnesses or victims. b. Other law enforcement agencies. 341.3.2

LEVEL 2 DISCLOSURE Data is subject to limited disclosure for the purpose of securing institutions and protecting individuals in their care while they are on or near the premises of the institution (Refer to the BCA document "Law Enforcement Agency Fact Sheet " Notification of Release in Minnesota " Risk Level 2" for detail): In addition to Level 1 disclosure, the Department may disclose data to: 1. Staff members of public and private educational institutions, day care establishments and establishments that primarily serve individuals likely to be victimized by the offender. 2. Individuals likely to be victimized by the offender. 3. Discretionary notification must be based on the offender's pattern of offending or victim preference as documented by DOC or Department of Human Services (DHS). 341.3.3

LEVEL 3 DISCLOSURE Data is subject to disclosure not only to safeguard facilities and protect the individuals they serve but also to protect the community as a whole (Refer to the BCA document "Law Enforcement Agency Fact Sheet " Notification of Release in Minnesota" for detail): In addition to Level 2 disclosure, the Department shall disclose data to other members of the community that the offender is likely to encounter unless public safety would be compromised by the disclosure or a more limited disclosure is necessary to protect the identity of the victim: 1. A good faith effort must be made to complete the disclosure within 14 days of receiving documents from DOC. 2. The process of notification is determined by this department. The current standard for a Level 3 offender is to invite the community to a public meeting and disclose the necessary data. Assistance is available from DOC RA/CN Unit. 3. Data disclosed to the public of a Level 3 predatory offender shall be forwarded to the DOC within 48 hours of dissemination (Minn. Stat. § 244.052 Subd. 4 (g)).

The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

NOVA Academy will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, NOVA Academy will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Nova Academy prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking. If you are a victim domestic violence, dating violence or stalking first priority should be to get to a place of safety. You should then obtain necessary medical treatment. NOVA strongly advocates that a victim of violence or stalking report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. Violence and stalking should be reported directly to a NOVA official and the Mankato Police Department. Filing a police report will:

- › ensure that a victim of violence receives the necessary medical treatment and tests, at no expense to the victim;
- › provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (scratching, bruising); and may assist in obtaining a protection order.
- › assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Counseling and support services can be obtained through Victim Services via their 24 hour hotline: [507-289-0636](tel:507-289-0636) and the Mankato Police Department.

The accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Such proceedings shall provide a prompt, fair, and impartial investigation and resolution and be conducted by officials who receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating NOVA's misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the school for the first offense. Nova will protect the confidentiality of victims. Publicly-available recordkeeping will be accomplished without the inclusion of identifying information about the victim, to the extent permissible by law.

If requested and reasonable available, Nova Academy will cooperate to the best of its ability, in the interest of the victim, in changing student schedule and working situations, regardless of whether the victim chooses to report the crime to campus police or local law enforcement. In cases of orders of protection, no contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court, Nova staff will fulfill its responsibilities by ensuring discrete communication with staff as to maintain the safety of the student.

Annual Fire Safety Compliance Report

The Higher Education Opportunity Act (Public Law 110-315) became law in August, 2008, requiring all United States academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire-related on-campus statistics. The following public disclosure report details all information required by this law as it relates to NOVA Academy of Cosmetology.

General Statement of College Owned/Controlled Student Housing

NOVA Academy of Cosmetology does not have Student Housing.

The school is equipped with an emergency light and emergency exit maps in all classrooms and offices. Fire alarms, smoke detectors, sprinkler equipment, exit signs and firefighting equipment installed throughout the college is for your safety. Tampering with them hinders their efficiency and endangers the safety of everybody on campus.

Fire Procedure

If a fire occurs within the school please notify a school manager immediately.

Evacuation Procedures

If a circumstance arises that requires evacuation, NOVA Academy staff will notify all students, staff members, and visitors. All students, staff, and visitors should follow the evacuation routes posted throughout the building. Once outside, proceed to a clear area that is at least 500 feet away from the affected building(s). Keep streets, fire lanes, hydrants, and walkways clear for emergency vehicles and personnel. Evacuate further if directed by emergency personnel.

Do not return to an evacuated building until an all clear is given by emergency personnel.

Taking Shelter During Storms and Tornadoes

If weather becomes dangerous and there is a Tornado Warning issued, NOVA staff will notify all students, staff, and visitors to report to the safe internal part of the school.

Drug Policy

- Drug and Alcohol Abuse Prevention Program

The Drug Free Workplace Act of 1988 and the Drug Free Schools and Communities Act require that the school provide a drug free workplace and have a drug free awareness program and a drug and alcohol abuse prevention program for students and employees. Information on the school's drug free awareness program and drug and alcohol abuse prevention program may be obtained from the School Director.

The school prohibits the manufacture, unlawful possession, use, sale or distribution of illicit drugs and alcohol by students and employees on its property and at any school activity whether on campus or at an off-site location. A violation of these policies will result in appropriate disciplinary acts up to and including expulsion in the case of Student and separation from employment in the case of Employees. Violations of the law will also be referred to the appropriate law enforcement authority. Students or employees violating this drug policy may be referred to abuse help centers, counseling or treatment programs. Also as a part of this policy, Nova Academy of Cosmetology reserves the right to, at its discretion, to require a student or employee to submit to drug or alcohol tests, and to search vehicles, work stations, furniture, clothing, purses, briefcases, luggage, toolboxes, personal items, mail, computers, voicemail, and e-mail and all other items within the control of the student or employee at issue. Failure to cooperate with such testing or search may result in disciplinary action including expulsion or separation from employment.

All students and employees are charged with the responsibility to read and understand that (1) Nova Academy of Cosmetology by participating in Title IV Federal Funds Programs, must establish a Drug Free Workplace Policy, and its students and employees must acknowledge it and agree to abide by it; (2) any student or employee who is convicted of a criminal drug statute violation that occurred at the school, must notify the School Director no later than five days after such conviction.

- A federal or state drug conviction can disqualify a student for Title IV funds. The Higher Education Opportunity Act provides that an institution must provide to every student, upon enrollment, a separate, clear and conspicuous written notice with information on the penalties associated with drug-related offenses. Convictions only count if they were an offense that occurred during a period of enrollment for which the student was receiving Title IV aid. The chart below illustrates the period of ineligibility for Title IV funds.

	Possession of illegal drugs	Sale of illegal drugs	
1st offense	1 year from date of conviction	2 years from date of conviction	
2nd offense	2 years from date of conviction	Indefinite period	
3+ offenses	Indefinite period		

- **FEDERAL EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY**

Pursuant to the Family Educational Rights and Privacy Act of 1974 ("FERPA"), Nova Academy of Cosmetology has established a policy for the review, release and amendment of student records. As stipulated in the Privacy Act, Nova Academy of Cosmetology requires written authorization from the student, (or parents/ guardians if less than 18 years of age,) before we will release any information about the student to any agency or prospective employer. Student's records are protected under the Privacy Act and are treated with the utmost confidentiality by all personnel. Access to these records is available to the student or parents/ guardians if less than 18 years of age by appointment under supervision of the school. Governing and accrediting agencies have the right to review records. FERPA provides that "directory information" as defined by the school may be made available to the public unless within 10 business days after enrolling in a program at Nova Academy of Cosmetology, a student delivers a written request to the Director of Education that the Directory Information on that student not be made public. Nova Academy of Cosmetology defines directory information as a student's name, address, telephone numbers, program attended and dates attended.

Students may obtain a release of information form from the Student Services office. An Authorization to Release Future Professional Records form needs to be completed each time permission is given to release Future Professional information. The student must sign giving the school permission. The school may only release the information designated on this form. It is highly recommended that students complete this from when they interview at salons and the salons contact the school about the student.

Student Request of Records Policy

Each student may request access to their records in writing. Nova has 10 days to accommodate the request from date of submission.

For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.
